

# HOTEL DIEU COMMUNITY LIVING CENTER

Los Angeles, CA

This \$21 million, 120,000 SF facility was designed to provide comfortable and economical living accommodations to low income seniors. The efficiency type apartments include a sleeping area, kitchenette, and private bathroom.

The complex also includes a Meals on Wheels Program that will serve 3,000 meals per day, as well as dining facilities for the residents, laundry facilities, chapel, library, and administrative offices.
